OPENING THURSDAY JUNE 13, 6-9PM  
JUNE 13 – JULY 18, 2013

A group show about the intersection of do-it-yourself aesthetics, and utopian domestic spaces. During the course of the exhibition, modifications will be made and additional work will be included as the exhibition evolves into its fully realized form.

Works by: Peter Schuyff, Walter Scott, Jeremy Shaw, Beau Dick, Emily Hill, and Mark De Long. Enzo Mari designed “autoprogettazione” furniture built entirely by gallery staff.
