Walter Scott

September 20 – November 2 , Opening reception Thursday September 19, 6-8pm

Macaulay & Co. Fine Art is pleased to present a solo exhibition of new sculptural works by Vancouver based artist Walter Scott. A small publication with accompanying text by Jesse McKee will be available through the gallery.

As an extension of Walter's ongoing comic book series "Wendy", a fictional satire, these new sculptures position themselves as an alternative way to create various open-ended narratives. Through the physical form and materials, certain aspects of fiction, otherwise unreadable, make themselves known.

Walter Scott b. 1985 Kahnawake, Quebec. He received his BFA from Concordia University, and recently moved to Vancouver to live and work.
